YG - 4Real 4Real iTunes mediafire zippyshare full linkGET HERE - pays heartfelt tribute to the late Nipsey Hussle at his last while also reserving a lot of vitriol for his favorite purposes: broke dudes, snitches, broke dudes that also snitch.4REAL 4REAL, though dedicated to the memory of Nipsy, don't really take on his values. YG does not resuscitate the mantle of financial freedom. It's not really for learning. He's a little too bitter to do something like Victory Lap. Instead, he honors his friend only as he knows how: by doubling down. This means that continuing its war on Snitch and picking up all the slack remains in the West Coast view. Call Dre, Call Snoop, Call Game and Kendrick, too / When you think of West is me and Nip, red and blue, he raps in a knife, illustrating how diametrically opposed forces can be halves of the whole. If Nipsey was a community organizer, YG is a destroyer. Year: 2019Genre: Hip-HopKwaliti: mp3, 320 kbpsTrack List: Hard Bottoms - White SocksBottle ServiceIn The DarkGo Loko (feat. Credit Nip's influence. He still leaves behind a lot of disdain for his favorite goals: broke guys, snitch, broke guys who are also snitch, but he makes a concerted effort to get around real violence.
